Pictures from the “55th Reunion” of LA High 1959 Graduates

The reunion day fun and excitement are reflected in the smiles of our classmates at the Reunion. Thanks to those who were able to attend. And, greetings to all members with whom we are still in contact that were unable to attend. Thanks for all your good wishes and for continuing to keep in contact with friends from 55 years ago.

We each have our memories of our days at LA High. We had a great time renewing and revisiting these memories with our classmates who were part of them.

As we get older, these memories are even more precious and it is our hope that this set of photos from the 55th Reunion will make you smile when you reflect back on this occasion.

Winter 1959 Graduation Themes

The Road Not Taken, by Robert Frost
I shall be telling this with a sigh
Somewhere ages and ages hence;
Two roads diverged in a wood, and I --
I took the one less traveled by,
And that has made all the difference.

Look To This Day, from the Sanskrit
Look to this day. In its brief course
Lie all the verities and realities of existence.
The bliss of growth, the glory of action,
The splendor of beauty.

Yesterday is but a dream
And tomorrow is only a vision,
But today well lived
Makes every yesterday a dream of happiness
And every tomorrow a vision, A vision of hope.

Summer 1959 Graduation Theme

We never know how high we are
Till we are called to rise;
And then if we be true to plan
Our statures touch the skies.
